Monday - 2 October 1967

25X1 1. [] JGO) Met with Mr. Raymond Nelson in response to his call and received a request from Senator Claiborne Pell (D., R.I.) for information, if available, on the present whereabouts of an individual known as []

[] I advised Mr. Nelson that I would pass on the request and would be back in touch with his office as soon as possible. 25X1

25X1 2. [] JGO) Met with Representative F. Edward Hebert (D., La.) but was only able to talk with him briefly between meetings. Mr. Hebert requested that I come by late in the morning tomorrow when he expects to have more time available. He did note however, in passing, that the question he had requested concerning a former CIA man was based on information from an almost unimpeachable source. See Memorandum for Record for details.

25X1 3. [] JGO) Representative Melvin Price (D., Ill.) was away from his office for votes on the floor and various committee meetings during the day. His personal secretary advised, in addition, that about the only available time tomorrow would be roughly 9:30 to 10:00.

25X1 4. [] JGO) Met with Mr. Robert Michaels concerning the Director's letter to the Chairman relating to S. 1035. Mr. Michaels indicated that the Chairman, as well as the members of the staff, had been in almost continuous meetings or conferences since the letter was delivered last week, and that there had been no time for discussion with the Chairman. He asked that I follow up on this matter with him on Wednesday, 4 October.
